The Princess Twins And The Birthday Party (I Can Read! / Princess Twins Series)

Synopsis

A Lesson in Kindness Princesses Abby and Emma are ready to celebrate their birthday with their friends. But where did Beth go? Can Emma convince Beth to come back to the party? This is a Level One I Can Read! book, which means it's perfect for children learning to sound out words and sentences. It aligns with guided reading level G and will be of interest to children Pre-K to 3rd grade.

Customer Reviews

Princess Emma and Princess Abby get dressed up just right for their special day in this level-one story. When their guests arrive in their beautiful dresses, Emma can't find her friend Beth, who has headed home because her dress is too plain for the royal party. Will Emma find a way to help Beth? This level-one story teaches girls what it means to be a princess for the true King. A lesson in kindness. --This text refers to an out of print or unavailable edition of this title.

Mona Hodgson is the author of nearly 30 children's books and also writes 19th century historical fiction. In addition to writing and speaking, Mona likes to read mysteries and love stories, hike

Arizona, travel to Africa, play table games, and play Wii Tennis. She lives in central Arizona where she spies roadrunners, quail, cottontail rabbits, and even an occasional skunk in her yard. ~ ~

My 4 year old daughter loves these books. I like that they have a good message. This edition has the best illustrations in my opinion.

want all the books from this writer and illustrator

Good 1st reader

Love this whole series...have read them to many ages.

Mom was so excited to receive a book about twins! I used this as the bday card. I know the girls will enjoy this for a few years.

~ ~“And you are even more beautiful inside,~ ~ • Princess Emma tells her friend in Mona Hodgson~ ~,cs children~ ~,cs book, The Princess Twins and the Birthday Party.~ What ~Part of the I Can Read series, this thirty-two-page hardbound with illustrations updated from 2012 targets children four to eight years old and beginning Level 1 readers. Containing no scary scenes, its theme involves a pair of young princess sisters having a birthday party. There is one reference to God knowing our hearts.In this short story, the princess twins, Emma and Abby, wake up excitedly on the day of their birthday and take their time getting dressed for their birthday party later that day. While having breakfast with their parents, the father reminds them that God sees their hearts and knows they are loving and kind. At the birthday party, one of the girls disappears. Emma finds the downcast girl and offers her crown to make the child feel better, telling her she is more beautiful inside.~ Why ~This sweet story reminds young ones not only that God knows our hearts but also that beauty lies more inside us than our physical appearances or clothing. I like how the colorful drawings on every page are engaging and follow the story with an easy to read font listed on each page. I appreciate the moral of the story is one of beauty being inside us and not always noticed on the outside.~ Why Not ~Those who do not believe in God may be offended the book begins with a Bible verse and mentions the Creator. Others may not like stories about princesses. Some beginner readers may have trouble with some of the three-syllable words, but there are only a few of them.~ Who ~The author of almost thirty

children's books and historical fiction, Hodgson is also a speaker who lives in Arizona. No information is provided on the artist. ~ Wish ~ Since God is mentioned once, it would be nice to include a Bible verse again at the end regarding His eternal love. ~ Want ~ If you like a story of a sensitive princess who thinks about others on her birthday, this would be an excellent choice. Thanks to Book Look Bloggers for providing this book for reading and reviewing.

I received this book free of charge in exchange for an honest review. This is a great book for children who likes Princesses and birthday parties! As an added bonus, there are twins involved! My Daughter enjoyed the story and was engaged throughout the entire book. This is a good book to read to children and also I think it's a little hard for someone who is just starting to read. Some words are harder but with a little help Bee got it. The twins' excitement in the story make it very fun to read to a child who is having a birthday party. The story is very simple and sweet and has a very good moral of the story. I thought the Princesses in the story were very relatable and down to earth. This book had a very good message especially since bullying is very prominent in today's world. I think it's very important to teach children the importance of not judging someone by the way they are dressed or what they can afford. If they see someone that feels left out, they should make an effort to make that person feel included. The book has a sturdy cover and pages. The book is easy for children to hold. The pictures are not overly stimulating but they were bright and pretty. The Christian theme in this book was very well done and it teaches children about what being a real Christian is about. I think this book is great even if you're not Christian because it teaches kindness and love, no matter what religion you are (if any) this message is an important one to convey. That Kindness and love and sharing is what being a princess is really all about. McKynlee favorite part was when the princess shared her crown. I also really enjoy the fact it states you are even more beautiful inside and That God sees your heart.
