Introductory Chemistry Essentials (5th Edition) - Standalone Book

Synopsis

See how chemistry is relevant to your life. Now in its Fifth Edition, *Introductory Chemistry Essentials* continues to foster deep engagement in the course by showing how chemistry manifests in your daily life. Author Nivaldo Tro draws upon his classroom experience as an award-winning instructor to extend chemistry from the laboratory to your world, with relevant applications and a captivating writing style. Closely integrated with the fifth edition of *Introductory Chemistry Essentials*, *MasteringChemistry*™ gives you the tools you need to succeed in this course. This program provides you a better learning experience. It will help you to:

- Personalize learning with *MasteringChemistry*™: This data-validated online homework, tutorial, and assessment program helps you quickly master concepts, and enables instructors to provide timely intervention when necessary.
- Achieve deep conceptual understanding: Several new Conceptual Checkpoints and Self-Assessment Quizzes help you better grasp key concepts.
- Develop problem-solving skills: A step-by-step framework encourages you to think logically rather than simply memorize formulas.
- Additional worked examples, enhanced with audio and video, reinforce challenging problems.
- Maintain interest in chemistry: The inclusion of concrete examples of key ideas throughout the program keeps you engaged in the material.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

NOTE: This is the standalone book, if you want the book access card order the ISBN below:

0321918738 / 9780321918734 *Introductory Chemistry Essentials Plus MasteringChemistry with eText -- Access Card Package*

Package consists of:

032191905X / 9780321919052 *Introductory Chemistry Essentials* 0321933516 / 9780321933515 *MasteringChemistry with Pearson eText -- ValuePack Access Card -- for Introductory Chemistry*

Book Information

Series: *Introductory Chemistry Essentials* (Book 5)

Hardcover: 744 pages

Publisher: Pearson; 5 edition (January 16, 2014)

Language: English

ISBN-10: 032191905X

ISBN-13: 978-0321919052

Product Dimensions: 8.5 x 1.2 x 10.9 inches

Shipping Weight: 4 pounds

Average Customer Review: 4.4 out of 5 stars 54 customer reviews

Best Sellers Rank: #6,064 in Books (See Top 100 in Books) #46 in [Books > Science & Math > Chemistry > General & Reference](#) #59 in [Books > Textbooks > Science & Mathematics > Chemistry](#)

Customer Reviews

everything went smoothly...

Better to rent that to buy it for 200 bucks and only read 2 chapters, then the school will buy it back for 20.

Just as described, fast delivery.

The homework problems and solutions are useful to my learning. The book is informative and puts chemistry into a reader/ user friendly fashion. I recommend this particular book. Also, it arrived on time and I have it for plenty of time after my class is complete to return it.

Good introduction textbook. Made so that chemistry can easily be understood. Lots of explanations and exercise problems to do before an exam. There are numerous errors though... Like that chart for electron configuration is very confusing. Just make it 3d or 4d so it's easier for everyone else...

Came on time and in great conditions can't wait to use it.....idk why i order these books i never really use them much but school says so, i guess i order them as a just in case....anyways it came perfect :D

Just like described.

Book as new!!!
