Customer Reviews

This additional supplement has a lot of neat magic items and feats and alternate archetypes which work well . Really great job Paizo for releasing it.

This is a very good resource guide ...

Just as described...concise and to the point.

loved it

Awesome book. Really helps me to develop my characters in the direction I needed.

My brother loves these books.

Perfect for my game

I received the wrong book. The one I received (same title) had a woman Swashbuckler on the cover. - I already have that book. How do I go about trading them out?
