Prisoner Of Love

Synopsis

“Beverly Jenkins is renowned for her historical romances. Romantic Times “Beverly Jenkins has reached romance superstardom! Detroit Free Press Kansas, 1884 Abandoned by her husband, Elizabeth Franklin is struggling to keep up with the chores on her 60-acre farm. Desperate to stay in the only home she ever loved, the resourceful Elizabeth agrees to marry a prisoner, Jordan Yancey in an arrangement that will set him free while affording her the farm help that she so urgently needs. But what Elizabeth never expects is that this former prisoner will arouse the kind of passion and desire she’s only heard about and capture her instead... Jordan Yancey would do anything to get out of prison, and the arrangement with the pretty, but prim Elizabeth seems like a good bet for his freedom for a little farm work, and a wife on paper. He never imagines that his pretend bride will become the most magnificent woman he’s ever met and that his sensuous little ‘jailer’ will be the one to free his heart... A sensual, steamy and deeply romantic story, Prisoner of Love by Blackboard bestselling author, Beverly Jenkins, is a historical romance to treasure!

Customer Reviews

Wow, Ms. Beverly never fails! This love story of Elizabeth and Jordan was salacious, steamy, heart warming, and just too good to be true. I loved the characters and how they grew in their story. Elizabeth found love with someone, when she was not looking. After being "dumped" by her husband, William and left to fend for herself alone on their land, she takes up a marriage bargain with a prisoner on parole. Jordan was a charming man, and so very talented (Wink, wink). He appreciated and valued her, and he did not shy away from showing it to everyone. Great story Ms. Beverly! Not very long, but flowed beautifully. You are truly a gifted writer and a gem with period pieces. Your attention to detail is awe inspiring. I always learn with your books. Thank you for sharing your gift with us!

I really love this book. the author takes us on a journey different than any other story. In the book the heroine is very strong and does what needs to be done, her husband left her and she wasn't going to give up on her life and her home. Then enters the hero that looks to be all bad to begin with but the reader finds he is just who she needs to awaken her to HERSELF. I love the fact that these characters are well developed even though this is a short novella. All authors are not able to do this and Ms. Jenkins is phenomenal in bringing her characters to life. I highly recommend this book. I have it in the book form as well as the eBook. Great Job Ms.B can't wait for the next one!!!

This was awesome! I so wish this was a full length story, even though it had enough detail to make it feel like one. Jordan was so hot and I'm glad he turned out to be the man he said he was. Elizabeth needed a strong, good, loving man like him after her first disastrous marriage. Being shy around him was not an option if they were going to make an effort at having a real marriage. He was sexy as all get out and after she put aside all her old ways of thinking and what she'd learned from her first husband she enjoyed him to the fullest. She took a chance on marrying him and he did not disappoint. This was fantastic read, short on pages, but filled with love.

I've never been more disappointed to see a story end nor have I ever enjoyed a short story as much I have this one. I was a little unsure when purchasing only because I wasn't sure how it would go. I am so glad I got this book, it was well worth the money!! I love that the story wasn't rushed, I could feel the chemistry as well as see it. And the fact that Elizabeth had a lil meat on her bones was a bonus too because I'm a sucker for plus size romances, though she wasn't described as such. Yancy could be my husband any day. Prisoner or not! Please do another story similar to this one Mrs.

Jenkins.

If this were a full Beverly Jenkins novel, complete with rich African American history, I would have given it a 5. I did not realize it was going to be a novella. Perhaps Ms. Jenkins can turn this into one of her novels?! The story line was great, loaded with sensual scenes, but just not what I am used to from Ms. Jenkins.

Really enjoyed this. Wish it was a little longer. I just love how this story unfolded. William really did Elizabeth a favor. Ummm that Yancy was everything she needed.

Jordan & Elizabeth were a delightful and witty couple! I almost missed it! I loved the story and the storyline. I have been reading Ms. Jenkins work for a long time and I can say I have never read anything by her that I didn't like!!!

Jordan and Elizabeth were a cute and fun couple to read about. I liked Elizabeth's determination to succeed despite the odds. Jordan made my heart melt (sexy & supportive). Where are guys like this? As with all her novels, you learn history.
