Spiritually Fierce: Are You Ready To Surrender To Your Unlimited Self?

Synopsis

It's time to change the conversation about intuition. We should begin by asking ourselves one question: Do I know that I am pure, unlimited consciousness? If the answer is no, then this is the spiritual guidebook for you. Intuition expert and spiritual scholar, Ricci-Jane Adams talks about what it takes to move from knowing we are intuitive, to trusting and living our intuition. It is way beyond understanding we all have a sixth sense. It's about walking the path of the heart. It's intuitive intelligence, and there are specific steps we all must take to activate it in our lives. In these pages we will learn how to: Apply the science of intuition to our daily lives. Master the governing laws of the Universe, and Gain skill in the specific practices that activate our intuitive intelligence. In this deeply personal story, Ricci-Jane shares her own pilgrimage of surrendering the trinkets and superstitions of the new age to reclaim her spiritual fierceness, wild abundance and unlimited intuition. Spiritual fierceness comes when we are willing to meet our fear every single day, and make the choice for love. It's the only commitment we need to make to activate our intuitive intelligence, and meet our unlimited selves.
