Customer Reviews

This self-contained book for introduction to World Religion courses examines each of the major world religions--Hinduism, Buddhism, Islam, Judaism, Christianity, the religions of China and Japan, and Native American and African religious traditions--in a straightforward, accessible manner. Both background information and interpretation are included in this one source. Each of The Religious World's authors is a specialist in his or her field, which provides in-depth coverage of each tradition included.

The book examines each of the major world religions: Hinduism, Buddhism, Islam, Judaism, Christianity, the religions of China and Japan, and Native American and African religious traditions, in a straightforward, accessible manner.

This is a fine work. The religious content is excellent. The book is well written and thorough without being pedantic. Additionally, the reader gains knowledge of the history and societal trends that

influence religious thought and religious development. I consider this book a "must have" for anyone teaching or studying world religions.

I used this book at university for World Religions; I found it an excellent source book & good reference. I achieved 85%, so it was a useful text :D
