Untold Stories Behind The Art: Florence

Synopsis

Florence was the cradle of the Renaissance. Under the watchful eyes of its patrons, the Medici family, this city transformed into an Art Heaven. The greatest artists of their times from the likes of Giotto, Masaccio, Michelangelo, Leonardo da Vinci, Raphael, Donatello and Caravaggio to name a few, have left their indelible mark on the city. Paintings, sculptures and breathtaking architecture dot every nook and corner of the town. Vaidehi Bhatia invites you on a journey to discover the Untold Stories of the Art of Florence on its 'must see' artworks. The book demystifies art for intellectually curious tourists and art novices alike by bringing forward the stories and allegories that make each artwork so unique. In a simple and engaging tone, Vaidehi narrates 'the story' behind the subject, 'the style' of the painting and the indelible 'artist's statement' of each of the 'never to be missed' artworks of Florence. Come and get mesmerised.
