A Teen Girl's Guide To Getting Off

Synopsis

Do you have teenage girl about to bloom in your family? Hormones raging? Wondering what is going to happen now? Eva Sless, an Australian sexpert has helped put together a guidebook for teens and parents alike! A Teen Girls Guide to Getting Off covers everything! "From masturbation and sex toys, to doing it and enjoying it, and all the safety tips, health tips, and enjoyment tips in between." Sex, Pleasure, Consent, Sexuality, Desire, Relationships. What teenage girl doesn't think about these things? With information rife on the internet how do you know who to trust? Well, here's your big sister Eva to help guide you through one of the most confusing times you'll ever experience! Eva's is known in the blogger-sphere as somewhat of a sexpert. She knows what should be part of a healthy sex education but those topics are often completely ignored in the conversations at school. And what about at home? Are you able to talk with your folks about things like... periods, masturbation and orgasms? Or the right reasons to say yes and how best to say no? If you answered no, then you've found the right book for you! A Teen Girl's Guide To Getting Off is the best toolkit for real sex education discussing the issues facing the modern teen girl in an open, honest, frank and often funny way.

Customer Reviews

An absolutely cracking and essential read. I've been passing it around thaw staff room at work and it's been getting rave reviews from all ou'd the women who've read it. Each of them has given some variation on the theme of wishing this had been the book they'd read as teenage girls.Witty, insightful, accessible, and worth it.

This book will revolutionize the way teen girls look at and discuss sex and desire within their friendship groups and family. Its a wealth of information and would be suitable for teen boys to read to understand more about young women too, especially the section on consent!

I must admit I was a bit sceptical, but this has really opened up communication with my daughter and how things are in the world. Full of useful tips for young girls, especially in regards to being pressured by others.
