The Adventures Of Lily Anne Thompson

Synopsis

Bestseller!! A striking new novel from author Alisha Dawne Mason. Living in a small town in Vermont, 13-year-old Lily Anne has a lot of things on her mind. She's upset that she had to move from Minnesota, leaving all of her friends and sports behind. She loves her family, but doesn't feel as if her mom loves or listens to her since she just had another baby. Her current biggest concern was how to pass a not-so-simple math test before summer break. Lily Anne escapes her internal struggles by playing a role playing game (RPG) with her four friends. In the RPG, Lily controls a character named Natalie Elizabeth. But little does Lily Anne know, playing a small role-playing game in her bedroom would actually impact someone else's every move. Natalie Elizabeth wanted to get her family out of slavery from a tyrannical owner. Before she could do that, she had to defeat the new town's beasts with her newly-acquired team of warriors before they could be freed. She had prepared for years in brutal environments to face all manner of vicious beasts. Along her journey, she was unaware that her entire crew, including herself, was being controlled by the roll of the dice. A coming of age novel about the bonds of friendship in the midst of adversity, *The Adventures of Lily Anne Thompson* will take you on a ride you won't soon forget. Scroll up and buy now!

Thankfully, there are more books coming for me to look forward too, the story continues! Thoroughly enjoyed the paired story lines. I'm glad to see someone has shown the benefits of role playing while growing up instead of the constant downplaying of it. Well done Alisha, I'll certainly be reading your next novel.

Very excited for the adventure to continue with the next book.

Awesome book! It was beautifully written, very descriptive, and took me on a wonderful journey. It was like watching a movie in my mind while reading it. Can't wait for her next book!!

Looking forward to future novels--the book really illustrates the vibrancy and impact of role-playing games and storytelling on the real world.

Great story! Easy to follow! Highly recommend!
