The Prophecy Answer Book

Synopsis

For anyone curious about prophecy and the signs of the end times, this book links the pieces of the prophecy puzzle in plain, simple language. There are 1,000 prophecies in the Bible so it's natural to wonder, have any prophecies been fulfilled? Do they really explain the future? Can we really know what will happen at the end of time? In succinct and clear answers to most frequently asked questions, Dr. Jeremiah decodes and clarifies prophecy for the average person. He explains in simple lay terms what could otherwise be mysterious and even frightening, allowing readers to gain a balanced and assuring perspective of the significance of prophetic events to their personal lives as believers in Christ. He also helps readers understand how prophecy is directly related to world events today.

A great, small book. Easy to read and understand. And it truly is the prophecy answer book. I would

have named it Everything You Ever Wanted To Know About Prophecy! That's how good it is, yet clear and concise. One part I fully enjoyed and learned from were the explanations regarding Islam, the difference between the Sunnis and the Shi'ites, and the history behind the two sects. I also enjoyed finding out what some Islamic words mean, and about the Muslim strategy of "fatah" (infiltration into a country in numbers large enough to affect the culture), and in "biological jihad" (moving into a country and having more babies than their hosts which, in time, makes them more numerous than those native to the country).

I love to read Dr Jeremiah's books! He tells his beliefs of the end times in such an easy to read manner. This particular book is written like a question and answer book---first, the question, then the next couple of pages (at most) is the answer. Dr Jeremiah supports his findings with Biblical references. It's a good book to read right before I go to bed. I can easily find a stopping place when I get sleepy.

This book is a clear and concise explanation of the biblical renditions of the end times. Now I can see the future and how our current events are evolving as predicted in the bible. Thank you Dr. Jeremiah!

I have followed Dr David Jeremiah , for over 20 years ,my wife and I , met him in 1999 when he came to N.C. , his gift of teaching is awesome , I personally have read numerous of his books , watch him on TV , does he have all the answers NO , but his teaching are sincere .I recommend any of his books . Ask The Holy Spirit to guide you on your journey of faith .

David Jeremiah's excellent book is a very uncomplicated guide to the end times as described in the Bible. These events are sometimes very complicated in certain books of the Bible and especially in Revelation. David Jeremiah has made this understanding very easy in this small book! This is really my second copy, as I sent this one to my oldest son. He had asked my opinion about the revealing of world events that are happening in Israel and Arab Countries now, and this book addressed all his questions. You won't be disappointed in this book!

Dr Jeremiah developes answers to all of one's questions about eschatology in a scriptural based writing that is easily understood. I highly recommend this book for all levels of spiritual maturity.

I gave this book a five star rating because I could find nothing I disagreed with. Dr. Jeremiah has never disappointed with any of his books, and this one is no different. He makes discerning God's word simple and fascinating. He explains every prophecy with truth and elegance. I highly recommend this book!

My husband is a pastor and also teaches a Bible study class and this book has been a great help to him in explaining the things to come and it also comes with questions for the class.
