# Street Foods Of Turkey

## Synopsis

One of the most fascinating and unique aspects of urban life in Turkey is the variety, richness and quality of food one can purchase in the streets from itinerant vendors. Street Foods of Turkey documents a wide variety of these street foods, from fresh produce to prepared meals sold on hand-pushed carts, in glass display cases mounted on wheels or simply in baskets and trays. Made up of a rich palette of colors, tastes and smells unique to the urban culinary culture of Turkey, Street Foods of Turkey also demonstrates the culinary possibilities inspired by these popular street foods. The colorful varieties of street food is documented in this book by season—Winter, Spring, Summer, Autumn, with an extra section, All Year Round—•together with recipes, historical background and cultural notes. Illustrated with beautifully taken photographs, this book will inspire all who are interested in the vibrant street food scene in Turkey.

Born in Ankara, Turkey, Hande Bozdoğan is founding Director of the Istanbul Culinary Institute. Her culinary honours include a professional chef diploma with distinction from the French Culinary Institute in New York and certifications in cooking and baking at the Bath School of Cookery in England and the Culinary Institute of America in Poughkeepsie. Her first book, Flavours of the Street: Turkey (now reprinted as Street Foods of Turkey) won the Gourmand Award in 2005. More recently, she co-edited Istanbul Contemporary Cuisine (published in French, English and Turkish) with Lale Apa, which received the 2010 Gourmand Jury Special Prize.

My wife and I have been exploring Turkish Cuisine in anticipation of a trip to Turkey. We have discovered that it is far more pervasive in the Middle East and Eastern Europe than we realized. It also is more varied with a heavy emphasis on vegetables. A very pleasant and enjoyable discovery.Jim & Sandra Kolka

My daughter just got back from Istanbul and saw and ate so much that was in the book happy with it!

I just made the cornbread from this book and it was a complete failure, worthy of the compost bin or the dog's bowl.I think the fats/oils were left out of the recipe. It looked odd, but I'm not Turkish so what do I know. I know better now.If you're looking for a Turkish cookbook with delicious recipes, I highly recommend The Sultan's Kitchen by Ozcan Ozan. It'll be hard to find food as good as this even in Turkey.
