## Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way."  
• Chicago Tribune "The best option | Color photos, maps, and diagrams bring the place to life." • The Philadelphia Inquirer

I ordered this book for an upcoming trip. It is durable and has an awesome laminated fold out map of the city. The size and weight are perfect for carrying in a small back pack, purse, etc. I'll update this review on the accuracy of the information in the book after our trip.

Been traveling for years and have taken these DK guides with me. Less for the hotels and the restaurants and more for the sense of culture, history, and landmarks. They're outline and graphics of the various monuments and destinations have always been helpful. Won't travel to a new place without them.

Good resource

Great for planning your next trip. Highly quality material.

Wonderful guide. Clear, concise and has three dimensional pictures. I really recommend the DK guides.
