Customer Reviews

This book is nearly identical to the episode with the same name. This just summarizes the story at times. But it's still a 5-7 minute read (so not too short). It also comes with stickers in the book, the stickers are of the characters and items found in the story.

The book is big and durable and since my daughter loves the Micky Mouse Clubhouse, it provides a lot of entertainment. The pictures are very easy to find and things aren't really hidden. So if you're looking for a challenge, stick with I Spy

Great book super cute, follows closely to the tv show

Book was bent in half when it arrived. Making it very hard for my two year old to hold it open.

Great

GREAT

Goes great with the DVD of the same name for my kids.

A very good buy for a happy grandson to read and learn!
