My Loose Tooth (Step-Into-Reading, Step 2)

Synopsis

What's it like to have a wiggly, twisty-turny tooth inside your mouth? Stephen Krensky's funny, kid-friendly, rhyming text answers this question and more! "Do lions have this problem, too? What do sharks and hippos do?" This Step 1 book is perfect for first-time readers and those about to lose their first tooth!

Grade Level: Preschool - 1

Customer Reviews

PreSchool-Grade 1-The perils of a loose tooth that refuses to come out are chronicled in this beginning reader. The simple, rhyming text, with only a few words per page, contains some challenging vocabulary such as "twist" and "crunching." The story is lean and the pastel watercolor illustrations are bland. Since there are many books available on the subject, this one won't be missed. Ann Cook, Winter Park Public Library, FL Copyright 1999 Reed Business Information, Inc.

their first tooth!

I ordered this for my daughter for Easter. I made her a "Tooth" Easter basket to get ready for the first loose tooth she has. This book was fun to read to her and she recognized many words as we read it. The story is cute and relevant. The pictures are nice and the book is well written. She loves reading it to us and talks about the next tooth that is now loose.

Great book for a beginner learning to read on their own. We struggle to find books that don't have random big words thrown in. Once she masters it she probably won't read it again as it's not super interesting, but she is still waiting for her loose teeth to happen so that's what makes this book great for her.

Awesome

I got this book when my daughter had a loose tooth. She loved it as did I. Very relatable.

Excellent book for your kid. It has got good absorbing images especially if your kid loves animals. The language is simple and easily readable.

I purchased several of these Step into Reading books for a granddaughter. She is not much for reading yet and I am trying to give her materials to encourage a love of reading. She has really enjoyed all of the Step into Reading books I have sent her so far.

This item was a gift.

grandson loved it
