Book by Baldwin, John

Authoritative and concise descriptions of various remote ski trips in the BC Coast Mountains. Well written and appealingly understated, the author's extensive travels are succinctly laid out, inspiring the adventurous, at least in the case of this reader. As an avid backcountry skier, I find this book an essential reference for accessing the numerous incredible backcountry routes characteristic of the Coast Mountains.

This book is out of date and retails for < 35.00 CDN in a retail store. There is a far more up to date and comprehensive edition that was released this year and is available from the same author/publisher for about 45.00 CDN.
