A Bride For One Night: Talmud Tales

Synopsis

Browse discussion questions Ruth Calderon has recently electrified the Jewish world with her teachings of talmudic texts. In this volume, her first to appear in English, she offers a fascinating window into some of the liveliest and most colorful stories in the Talmud. Calderon rewrites talmudic tales as richly imagined fictions, drawing us into the lives of such characters as the woman who risks her life for a sister suspected of adultery; a humble schoolteacher who rescues his village from drought; and a wife who dresses as a prostitute to seduce her pious husband in their garden. Breathing new life into an ancient text, *A Bride for One Night* offers a surprising and provocative read, both for anyone already intimate with the Talmud or for anyone interested in one of the most influential works of Jewish literature.

Customer Reviews

"A Bride for One Night highlights Ruth Calderon's remarkable skill in bridging the cultural gap between the rabbis and contemporary readers and the significant contribution she has made to demonstrating the relevance of rabbinic legends in the 21st century." —David C. Jacobson, Jewish Review of Books (David C. Jacobson Jewish Review of Books) "A welcome step in encouraging Jews of all stripes to engage with texts that hold values we wish to live by, and to find those values there." —Beth Kissileff, Tablet Magazine

Ruth Calderon has a PhD in Talmud from Hebrew University and was elected to the Israeli Knesset

in January 2013. She became a national celebrity when she taught a page of Talmud in the Israeli parliament, arguing that the text was the heritage of the entire Jewish people. She is founder and former director of Elul Beit Midrash in Jerusalem and founder and chair of Alma: Home for Hebrew Culture in Tel Aviv. Ilana Kurshan is the books editor of Lilith magazine. She is the author of *Why Is This Night Different from All Other Nights?* as well as several articles about Talmud, literature, and Jewish life.

A beacon for how Talmud can enrich (even "save"?) liberal Judaism. I also highly recommend Ruth Calderon's initial speech in the Knesset.

Interesting feminist reworking and reinterpretations of some of the best known, but strange and fantastic Talmudic tales. A good read.

Very good writing. A bit slow reading but that does not hinder the enjoyment of the story.

Many of the stories are familiar to anyone familiar with Talmudic lore. Dr. Calderon's analysis, while based on modern mores, is very readable and engaging.

Every story is a treasure. The study group is mainly Jewish men and women and we all have stories to tell from our own families that are similar. Every Sunday there's serious even loud debate -good or evil, right or wrong, just or unjust, etc. We can't wait for the next week. Fredricka Gens

I thought the author did a superb job of creating a believable story around each Talmud passage and her analysis of the passage resonated with me. I would recommend this book to beginners of Talmud study. I gave it 5 stars in hopes the author writes more of the same.

The author brings the text alive and interprets it for the non Talmudic reader. Some of the topic of the short stories are challenging and controversial. I found the book to be an excellent read.

This is a very good book. . Nice to hear a women's voice explaining the Mishnah and Talmud.
