# East Texas University Limited Edition (Savage Worlds, Hardcover, S2P10310LE)

## Synopsis

Study. Party. Save the World. East Texas University promises prestigious leadership, connected alumnae, the fantastic Southern climate of Pinebox, Texas...and annoying roommates, professors that try to kill you (literally), and things that go bump in the night. Enroll at your own risk. East Texas University offers a well-rounded syllabus of character creation, new Edges & Hindrances, gear, Setting Rules, and tours of campus and nearby Pinebox, Texas. For advanced credit, read the section on rituals and talismans. Finally, the Adventure Generator and encyclopedia of miscreants is sure to light a creative spark in even the most humorless campus parking enforcement officer. There are generator mechanics for parties and adventures as well as Ritual failure and a little thing we like to call High Strangeness. Can you survive four years of college? East Texas University requires the Savage Worlds core rules to play.

## Book Information

Hardcover: 96 pages

Publisher: Pinnacle Entertainment (March 1, 2015)

Language: English

ISBN-10: 1937013499

ISBN-13: 978-1937013493

Package Dimensions: 10.3 x 6.8 x 0.6 inches

Shipping Weight: 1 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 6 customer reviews

[Fiction & Fantasy > Gaming > Savage Worlds](#) #109977 in [Books > Teens](#)

## Customer Reviews

A good horror setting where you must balance between keeping your grades good and finding out what supernatural things occur in the small town of Pinebox. This book is really top quality, and has some really awesome features, like a really creative adventure generator with 3 detailed examples and a demon generator which is a really cool tool to have. It also has everything else that's needed, like important and generic NPCs, a bestiary, a map of the university campus and a map of the town itself, rules for both exams and ritual magic, etc.

Loved the book and the system.

Good setting info, but it's only part of a set you will still need the adventure book.

It reminds me of a TV show idea I had.

A couple of things right off the bat. You'll need the Savage Worlds core rulebook to run this setting. That'll set you back another ten bucks. Also, there's a Plot Point Campaign book called "Degrees of Horror" that takes players all the way from Freshman Orientation to Graduation Day, and I heartily recommend grabbing that book, too, even if just for the "Savage Tales" included in its back half. That can take a lot of work out of running the game, making it as much fun to run as "Dean" (what the ETU setting calls the GM) as well as the "Study Group" (ETU's term for the player characters as a whole). I've been running this setting and its Plot Point Campaign book for the past year or so, and it's been great. The end of each adventure has my players clamoring for the next one. If you enjoy shows like Buffy the Vampire Slayer, Supernatural, The X-Files, and American Horror Story, this setting should be a lot of fun for you.

I have a hard time really describing how much I love this setting. East Texas University is everything that Buffy: The Vampire Slayer did right wrapped up with classic American horror, and the spectrum of genre that includes. If Scooby Doo and crew had been designed for adults and created by the hybrid freak child of Wes Kraven and Stephen King, yeah then you are pretty close.
