365 Ways To Cook Chicken: Simply The Best Chicken Recipes You'll Find Anywhere!

Synopsis

The Versatile Chicken is "the new hamburger." Low in fat and cholesterol, more nutritious and cheaper than ground beef, chicken has become the choice of diet-conscious, budget-conscious and taste-conscious Americans. Here is a year's worth of succulent recipes celebrating chicken's versatility- baked; fried; barbecued; stewed; marinated; roasted -- you name it -- it's here. Special sections include recipes for "Chicken Lite" (low-calorie) "Chicken Quick," "Chicken Little" (Cornish Game Hens) and many from America's best-known chefs and restaurants. Whether your tastes run from Buffalo's famous chicken wings to gumbos with a Cajun-kick, or from subtle and simple to smothered and "othered" (marinades and sauces), you will find months of new mouth-watering recipes that will tickle your fancy and tempt your palate. --This text refers to an out of print or unavailable edition of this title.

a great basic, simple cookbook that can save you for quick weeknight meals. I lost this cookbook years ago and have found myself looking for it whenever I wanted to make certain standby recipes.

The Moroccan Chicken with sliced lemons is one of my favorites! A great workhorse when you can't stand the sight of yet another dull chicken recipe. I was so happy when I found it on and I reordered it. Harmony has been restored to my kitchen!

I love this book. I am trying to stay away from so much beef. I love chicken but I was getting tired of the same flavor. This did the trick. Cluck Cluck!

I like cooking Chicken and am always looking for a better way to cook Chicken and this book does wonders for chicken dinners.

love this book...replacing the one the kitty pee'd on

I like the way the chapters are categorized by either cooking method or cut of the chicken. Most recipes are simple and easy to follow for a beginner.

I've made two of the 365 recipes so far - the family loves them.

Great cookbook,

This cookbook has been in my parents kitchen since it was published. My father, now 91, discovered that he left his copy at his winter home. I went on search to local bookstores, no luck. came thru.....Thanks.
