Customer Reviews

On the plus side, it is a modern Bible version. On the minus side, the colors are washed out and the stand is flimsy. I'd rather have had the Page-A-Day, but they only print a KJV version.

Scriptures are not purpose focused. They are random verses. I kept it because of good faith but not what I was looking for. I was looking for more inspirational verses.

I really like desk calendars with angels but this one is good too

This calender is nice, however, my mother pointed out how tiny the print is. This is not ideal for what I had purchased it for as my mother does not have great eyesight.

This calendar more than meets my expectations! Each day features a scenic photo, plus a significant and much loved Bible verse.

good

Very poor quality paper, and the print is small.

Seems a bit cheap. First day the calendar came off the stand -glue didn't hold. Pics are ok
