Customer Reviews

I like all books on magic so this one taught me some good illusions that. Are nice and easy and ready to perform for kids ,family friends.

my kid loved it

Some of the tricks are too difficult to do for my 9 yr. old

I actually learned something from this book. thanks

Not just bad.Horrible, terrible writing. Spell check doesn't replace having a friend edit your work so

that you don't embarrass yourself by putting out an undescriptive, badly worded and confusing so-called how to book. Bad grammar, syntax, etc.. Uninformative instructions... Just plain terrible. P.S. What is a "peel of the top of the deck"? There are many more like that..
