Brain Quest For The Car

Synopsis

Brain Quest just keeps getting smarter! Brain Quest For the Car has been thoroughly updated with fresh and appealing designs for the cards and revised content—hundreds of brand-new questions. Drawn from first-through sixth-grade curricula, the material aligns with state and national standards and is vetted by an award-winning teacher. For the Car makes every trip in a car, bus, train, or plane a learning adventure with 1,100 questions all about America, from the O.K. Corral to Dr. Seuss, state capitals to Mount Rushmore. And it's better than ever. The decks are no longer organized by state, and the cards are marked with letters and numbers to be used in backseat games based on license plates, I Spy, and more. Brain Quest proves it's not just fun to be smart—it's smart to be smart.

Purchased as a Christmas gift for the young boys next door, the entire family has enjoyed Brain Quest.

Just what the kids need to keep them busy in the car... better than just sticking in a DVD for those trips

My grandchildren love brain quest!! Always interesting and a great learning experience.

My boys love these questions! It keeps them entertained...they are always "bored," and these cards cure it!

Fun to play in the car or at our dining table.

Great way to entertain kids and adults on a long car ride!
