A very good dictionary in all respects, upper elementary student fans of Garfield will find the paperback format a useful backpack edition. Helpful features include fulsome explanatory notes, a list of foreign words and phrases, and a handbook of style. Authoritative, attractive, and easy to use. A 2000 Parents' Choice[®] Recommended winner. Reviewed by Parents' Choice[®] 2000 -- From Parents' Choice[®]

For more than 150 years, in print and now online, Merriam-Webster has been America's leading and most-trusted provider of language information. All Merriam-Webster products and services are backed by the largest team of professional dictionary editors and writers in America, and one of the largest in the world.

I am so glad to have purchased the Hardcover edition! This Dictionary has certain character and charm that any Garfield fan would appreciate. It is not college level, but who cares? If you are

writing your final thesis at a University, let's face it, you would be looking up words online and not using an actual paper-bound Dictionary; but- if you are looking for an entertaining way to look up vocabulary words, this is your book! Don't waste time debating between buying the paperback and hardcover: get the hardcover edition. I would consider this book a "collectors" item that should be passed down to future generations to enjoy.

First, you cannot go wrong with Merriam-Webster; their reference books are top-notch, well-organized and clearly written. Second, you can't go wrong with Garfield. I *had* to have this when I saw it, and I think it's the most fun dictionary in the world! It has clear, concise definitions, plus Garfield comics, to boot! This is a must-have item for any Garfield collector.

Came in good shape, a nice addition to my Garfield collection and looks nice on my shelf. Only downside: multiple [about 6] stickers plastered on the front and back. Not a big deal, but I would have preferred a clean copy. Other than that, I love it!

I love it! Was the best New Year gift I could get. It's a great dictionary by itself, but if you love Garfield that part along with the comics and examples all over the dictionary just make it that much more awesome! This dictionary just had to be done one day :o)

Soft cover is much cooler than hardcover. I have the both.

I love this dictionary. I use it often and it makes me smile. I love reading the comics scattered throughout the pages as well.

My friend, a high school teacher, recommended I use this dictionary with my tutoring students. They love it! I have to hide it so they won't keep reading it when we need to do something else.

I have one that my father bought me years ago that I still have (as I love Garfield). I bought this one to use with my students :)
