The Esther Anointing: Becoming A Woman Of Prayer, Courage, And Influence

Synopsis

Be inspired by Esther, an incredible woman of God. Esther was willing to risk her life for the welfare of her people and the furthering of God's plan. Strategically positioned by God in a place of influence, Esther is a powerful biblical example of how God can use anyone. She answered God's call and went through a season of preparation physically and spiritually to get ready. Just like in biblical times, God is positioning women today and giving them divine opportunities to influence the culture for His glory. The Esther Anointing gives you the keys to Esther's success, including the qualities that make women great, the power of influence, and the key to finding God's favor for your assignment. It doesn't matter where you came from or what skills and talents you have; if you let Him, God can use your life for His glory!

Michelle McClain-Walters has traveled to more than 40 nations and has conducted schools of the prophet that have activated thousands in the art of hearing the voice of God. Michelle currently serves as director of prayer ministry on the staff of Crusaders Church under the leadership of Apostle John Eckhardt. She is also one of the house prophets and apostolic team leaders at Crusaders Church. She resides in the city of Chicago along with her beautiful daughter, Eboni. She is the author of The Prophetic Advantage.

Another well written and thought provoking book by her. Unlike on her book "The Deborah

Anointing," where she breaks down the tasks of Deborah in phenomenal awe inspiring detail, she uses Esther to push women forward into destiny. Both these books work profoundly together to uplift, encourage, and inspire. I recommend these for all women in ministry and those considering ministry. Power-FULL. The revelation is awesome. These books prophesy!

This book blessed my life & has awakened me to the person that I was and who God has now called me to become! A woman of prayers & courage pursuing the heart of God like never before. It has lifted me to a new relationship with my God as I rise to become a vessel fit to carry the light of God to the nations! To God be the glory.

It is a great book. The book is life changing and came at a time in my life where I really needed it.

Esther is my favorite Bible hero. In a time when women were to be seen and not heard, she saved a nation of people. She wasn't loud or boisterous. She was a Queen that reached out to her Holy Father, and changed the course of history. Her story should teach all women, that girls can be world changers too, and it can be done with the crown from our Holy Father upon our head.

This book is fuel for any woman who is discovering their purpose in life and in ministry! The prayers at the end of each chapter are so powerful! I needed this book!!!

This book was everything I needed. I love when a book can challenge my thoughts and understanding of my destiny and The Esther Anointing does just that. Under the inspiration of the Holy Spirit there is so much clarity and illumination. I'm truly grateful for the way each chapter ministered to me and challenged me to go higher, deeper. I'm a woman of purpose and destiny and am looking forward to all God has in store. This book is not only a must read but a must get in your spirit!

I love this book. I underlined almost every word!! I cried and prayed throughout! I want to hug the author and be her best friend!!

I love the decrees, declarations and prayers which come at the end of each chapter. There is a universal appeal to the message of the book; I can see the words speaking to so many of the women within my realm of influence. The correlating scriptures for extended study are treasured

pearls which resonate long after I've closed the book.
