Kim Hardy knows personally what depression, stuck and stressed feels like. She now writes from a place of victory to help others overcome. She makes her home in Metro Atlanta with her husband, youngest child, and a mother who laughs at the least little thing. She has written six books and speaks professionally for a living. She loves a good sale, hot coffee, and like her mother, a good laugh always makes her day.

Relaunch!: 5 Keys to Getting Past Stuck and Stress at Work and Life identifies some reasons why a person can be "stuck and stressed" in their everyday lives. I wanted to know if this book would speak to me, personally --- and it did. I "needed" to know if there is anything that I can do for myself

to become "unbound" from stuck and stress --- and there is!!! From the beginning, during the introduction, you get a sense that the author is your friend, talking to you personally. Then when she begins telling her story of how and why she was stuck and stressed, it was easy to envision my own story...not the same story, but similar in certain ways. What is particularly good about this book is that it is so easy to read. While giving you the essential guidance to help you, she intertwines her own story and tells you where she was and how far she has come --- which is evidence that her advice (5 Keys to Getting Past Stuck and Stress....) authentic. This book is a "MUST" read...not only for those who have been "stuck and stressed", or those who are currently "stuck and stressed", but also for those who know someone in that state of mind. The resources that you will need to set you "FREE" and get you pass "stress and stuck" are found within the pages of this book. I am recommending this book to all of my friends. *Relaunch!: 5 Keys to Getting Past Stuck and Stress at Work and Life*

RELAUNCH! with Author Kim Hardy is an awesome read for everyone. As a marketing consultant, I look for multiple ways to help improve customer performance. I will be purchasing several copies for my customers to help move their employees beyond "just showing up". The author does a stellar job with removing mask and unlocking obstacles that ultimately reduce productivity.

Kim Hardy is not only a dynamic speaker but has a gift for relating to diverse people on common life issues. The book far exceeded my expectations for a book in this genre. She made me think, shemade me laugh, but mostly want to relaunch! This was money well spent. I plan to give copies to my manager and a few coworkers. Buy the book!

I simply love this book. I purchased the Kindle edition & the paper back book. I have suffered from depression all of my life. Kim gives me courage to face my personal demons so I can truly start to live & relaunch my life. Thank you so much Kim. This means the world to me. Be blessed as you have truly blessed me. Love Michelle J.

I have had the privilege to hear Kim give a talk on this book before it was released. If you want to be encouraged and gain the tools to go from where you are to where you are destined to be... you need to get this book. POWERFUL!!!

I bought this book last week and found it very helpful. I have beenstuck due to the burden of stress. Kim's book provides real lifeanswers to real life problems. Thank Your Kim Hardy.
