## Synopsis

From a leading children's food expert and bestselling author of *Top 100 Baby Purees*, this ultimate time-saving, stress-free cookbook offers fabulous recipes for keeping your children healthy and happy. Meet Annabel Karmel, international bestselling author and leading authority on feeding babies and children. With over two decades of feeding experience and thirty-eight books which have sold over 4 million copies worldwide, Annabel continues to be one of the most trusted, influential, and inspiring resources for growing families. Although feeding your children separately may seem like an easy solution to keeping everyone happy, all that extra time spent in the kitchen rustling up different meals could be spent eating together at the table—discussing the day, sharing stories, and enjoying each other's company. Cooking for the whole family doesn't have to be difficult or time-consuming, and it shouldn't feel like a chore. *Top 100 Meals in Minutes* features delicious, nutritionally balanced recipes that are simple to prepare. From chicken meatballs in barbecue sauce and pasta primavera, to jambalaya and sweet potato butternut squash soup, Annabel's latest collection of easy-peasy recipes will leave everyone feeling full and satisfied.

Excellent ideas for quick and easy foods for baby. It's important to introduce a variety of foods and seasonings.

Had a lot of simple, great ideas to get in the rotation.

I first learned of the book after I checked one out at the public library. I knew that I wanted to own the book but didn't want to pay the high price. I knew I could find a used one on like other books I ordered before, but this 100 Meals in Minutes came to me in a cheap looking black and white format. The recipes are all the same but I feel like I was cheated.

My daughter loved the book. I gave it as a gift. Wonderful ideas.

nice and pretty picture and interesting recipes

Meals are only in minutes if you have the ingredients all together, and sometimes there are more than half a dozen. I was hoping for a book with very quick 1-2-3 type meals,
