Principles Of Risk Management And Insurance (13th Edition) (Pearson Series In Finance)

Synopsis

For undergraduate courses in Risk Management and Insurance. *Principles and Practices: Managing Risk with Consumer Considerations* RedjaÃ§ââs *Principles of Risk Management and Insurance* provides an in-depth examination of major risk themes. Using rich and up-to-date content on the basic concepts of risk and insurance, and introductory and advanced topics in traditional and enterprise risk management, the text is relevant to a wide number of disciplines in the business realm. Fully updated and revised, the Thirteenth Edition now covers global topics ranging from natural disasters and terrorism, to domestic issues like the ever-evolving Affordable Care Act and Healthcare Reform. *Principles of Risk Management and Insurance* sets itself apart by placing primary emphasis on insurance consumers and blends basic risk management and insurance principles with consumer considerations, allowing students to apply basic concepts to their own personal risk management and insurance programs.

Customer Reviews

Very pleased with this product. Purchased a used text figuring it would be well used for the price point--instead I received a used text in excellent condition.

Great book.

Perfect condition!

This book provides good insight on the main financial investment products available today and the benefits versus risks associated with them.

Fast shipping. Great price. Satisfied customer here!

The book is great for a subject I don't find very interesting. Lol

Such a great price and the book was in excellent shape!

at the end of the day its a text book but has a lot of good information in it
