Customer Reviews

What comes to mind when you think of the perfect getaway-endless beaches, lush golf courses, an afternoon of surf fishing? Or are you looking for more adventure-perhaps exploring centuries-old shipwrecks deep in the sea or hang-gliding cross miles of sand dunes? No matter what you consider to be a perfect vacation, the Outer Banks of North Carolina has it all. In this book, the region's rich history and alluring attractions are described alongside lovely color photographs that capture the very essence and soul of this charming seaside locale. So whether you're searching for unspoiled beaches and seashells, waiting for the wild horses to pass you by, or climbing up 268 steps to reach the top of the country's tallest lighthouse, you're sure to find what you're looking for in The Outer Banks.

The book has minimal text, but there are more beautiful full-color pictures of this magnificent area than in any other book I saw. We bought it as a souvenir of our trip to the Island Bookstore in Duck! See Bill Rickman, the proprietor there. He used to run Kroch's in Chicago before he retired to the Outer Banks!

This is noce book for anyone who loves North Carolina's Outer Banks. Its juast the book to whet

your whistle before or after a trip to OBX. Also lots of pictures to keep young readers attention. It touches on all the things that make the OBX great.
