Customer Reviews

Four stars! This is a worthwhile book that should be on the shelf of every in-home caregiver. Highly recommended. --National Alliance for Caregiving, Family Care Resource Connection Quick Tips for Caregivers provides the non-specialist general reader with a thorough and completely accessible course of instruction in basic caregiving procedures and techniques... "Must" reading for anyone charged with homecare responsibility for an elderly or infirm family member... --The Bookwatch Quick Tips is one of the most educational and accessible books in the field of caregiving today. Karpinski has thought deeply about what long family caregivers need most, and presents it in a most caring, comforting way. A definite must-have. --Beth Witrogen McLeod, author, Caregiving:

The Spiritual Journey of Love, Loss and Renewal

Marion Karpinski, R.N., is a recognized expert in the field of caregiver training. A registered nurse for over 35 years, Ms. Karpinski has developed a series of nationally acclaimed DVDs, books and caregiver training programs devoted to teaching care providers basic caregiving and communication skills. Ms. Karpinski is President of Medifecta Healthcare Training in Medford, Oregon.

GREAT info especially the sundowner info. I feel better about how things are going now.

This book contains step-by-step instructions and information invaluable to anyone caring for an older person. I will keep it on my bookshelf.

Great book to read and great resource for taking care of bedridden, elderly, helping others turn in bed, learning to help get a person in/out of bed or a wheelchair, medication management and much more! Everyone should read this !!!!!!!!!!!!!!!

Covering some of the most important topics in Caregiving task. Good reference for our students in Caregiver Training Programme. [...]

Quick Tips For Caregivers provides the non-specialist general reader with a thorough and completely accessible course of instruction in basic caregiving procedures and techniques. The reader is presented a compendium of cogent, practical, experienced advice on methods for improving safety in the home as well as applicable suggestions for ways to reduce inevitable caregiver stress and obtain needed outside support. All aspects of home give provision are covered including medication management, nutrition, wheelchair concerns, fall prevention, fire safety, elder neglect and abuse. "Must" reading for anyone charged with homecare responsibility for an elderly or infirm family member, Quick Tips For Caregivers has a thoroughly "user friendly" text that is enhanced with forty-seven illustration (many of which describe care events that occur every day in home situations) as well as resources for caregiver support, hiring in-home help, communication, incontinence, glossary, a detailed index, and more.

Quick Tips For Caregivers packs in details for home caregivers which cover the most basic levels of home health care; from how to position a patient in bed and how to give a bed bath and protect your

back to preparing for a hospital discharge and hiring help. An exceptional guide for caregivers, especially those just starting out.
