Going To Glacier National Park

Synopsis

Designed for children ages 8 to 13, *Going to Glacier* is packed with fun and fascinating information about Glacier National Park. Authored by Alan Leftridge, seasonal ranger and naturalist, the colorfully illustrated book details the park's namesake glaciers, flora and fauna, dramatic weather, Indians and early settlers, historic sites and structures, and the effects of fire. The book also features maps and interpretive information for hikes that the kids will love. A must-have for families traveling to Glacier National Park! Visit FarCountryPress.com for more information.

Customer Reviews

Designed for children ages 8 to 12, *Going to Glacier* is packed with fun and fascinating information about Glacier National Park, including its glaciers, wildlife, trees, and wildflowers. It offers interesting details on dramatic weather, Indians and early settlers, historic sites and structures, and the effects of fire. The book also features maps and interpretive information for hikes the kids will love. A must-have for families traveling to Glacier National Park!

Alan Leftridge, has been a seasonal ranger/naturalist in Yellowstone National Park and a wilderness ranger in the Mission Mountains Wilderness Area of Montana. He lives south of Glacier National Park in the Swan Valley. Robert Rath is an illustrator, designer, and author with dozens of books to his credit. Although he has worked with Scholastic Books, Lucasfilm, The History Channel, Carus Publishing, and many other magazines, book publishers, and universities, his favorite project is keeping up with his family.
