## Synopsis

Everything you need to know about getting a divorce! A retired divorce attorney and a widely-published author on the subject, answers hundreds of questions in simple layman's terms—everything from living under a separation agreement to dividing assets and debts. Looking at divorce from all angles—legal, social, psychological, and financial—this is a resource that speaks to everyone, from those just starting to contemplate breaking up a marriage, to those trying to renegotiate an unsatisfactory financial settlement.
