Customer Reviews

I love this collection. Great variety and good quality designs and pages. Single-sided and perforated, which is a big plus. The disappointing thing is that I purchased all three books in this "series", and now I have designs in duplicate and some even in triplicate! Your best bet is to purchase The Swear Word Coloring Book and pass on the other two.

So much fun! I love it!

Funny

So much fun! Coloring swear words is so satisfying lol.

Needs more pictures to color lol

The book is exactly as described and pictured and the receiver is happy. My only complaint is that the book came with very noticeable bends at the lower right edge.

This is the best of all the "swear word" coloring books. The designs are fun to color, each unique, and the sayings are funny. Love it.

Great coloring book for grown ups and older teens. My daughter and I get a huge kick out of these!
Inappropriately Hilarious!
