Age Range: 12 and up

Grade Level: 7 and up

Customer Reviews

Barron is one of the best testing practice out there (and I use to buy a lot of different brands - Spectrum, Scholastic, Common Core, etc), this one has a very well written explanations of the ANSWERS, not just the answers!!

I thought this book covers the updated standard of the NYS Math changes but when my son started doing this workbook, he told me the questions were very easy comparing to the new Common Core Standard examples.

good item, thank you.

My friends didn't believe this existed. There are draconian rules associated with applying, proctoring and grading the NYS CC tests. This is really a breath of fresh air.
