Living In Italy (Teach Yourself)

Synopsis

Looking for a guide to the practicalities of living in Italy? Whether you need to know how to find a plumber, what the comune is there for, or how to get permission to renovate, this practical illustrated book is for you. And its accompanying CD gives you all the language skills you need to communicate with the locals. Every home owner has to go through the process of searching for property and buying it; most new and existing owners will be renovating or redecorating at some point and this will involve dealing with tradesmen and/or suppliers. For this, these homebuyers will need to understand at least the basics of Italian property law, house construction, building, plumbing, electrical systems, etc., and they need to know not only the words but how the systems work. Living in Italy gives the explanations and vocabulary for each aspect of finding, buying, renovating, and living in a house in Italy. In addition to approximately 120 labeled illustrations, the book has a CD which gives the pronunciation and practice of the necessary vocabulary.

Book Information

Series: Teach Yourself

Paperback: 224 pages

Publisher: Hodder & Stoughton; Pap/Com BI edition (August 5, 2011)

Language: English

ISBN-10: 1444105760
