Synopsis

Life was never easy for twins, Camilla and Lauren. Just a few months shy of turning eighteen theyÃ¢â ¬â„¢ve had it hard since they were younger. Abandoned by their parents, theyÃ¢â ¬â„¢re forced into a home with the foster family from hell. Living in a house of misery and torment, the sisters werenÃ¢â ¬â„¢t allowed to have a life outside of the home. Meaning, the siblings couldnÃ¢â ¬â„¢t work, have a social life, or do normal things that seventeen year olds should do.Ã Â Breaking the house rules resulted in harsh punishments and repercussions.Camilla, the oldest twin by just a few minutes, always had her head on straight and often did her best to stay low key and follow the rules of the house. On a hot, spring day, Camilla entered a packed and crowded bus. Forced to stand, she meets the young and determined, Diesel on board. Being a gentleman, he gives up his seat, which intrigues Camilla. From that day forward, he simply treated her like a princess, even though he didnÃ¢â ¬â„¢t have much to offer himself.Diesel immediately was head over heels with Camilla, and the feeling was mutual. He courted her and showed her how she shouldÃ¢â ¬â„¢ve been treated. But, when he introduces her to his friend, who is more like a big brother to him, sparks immediately fly between the two of them, unbeknownst to Diesel. Determined to keep her distance from the fine, tatted, dope boy Meshach, can Camilla and DieselÃ¢â ¬â„¢s relationship thrive? Will she give into temptation? Can she have a relationship in a house that is so controlled?Meshach, not one to play when it came to disrespect, was often feared in the streets. He didnÃ¢â ¬â„¢t believe in love and often stayed away from any female that wanted more from him. His motto was to get money and worry about love later. That didnÃ¢â ¬â„¢t sit too well with Soraya, the woman that couldnÃ¢â ¬â„¢t understand that. Even though Soraya was intensely in love with Meshach she often felt like he would never commit. Can she get him to see that sheÃ¢â ¬â„¢s the one for him, or will her jealous ways push him further away completely?Lauren, deciding to take matters into her own hands, acts out, runs away, and finds comfort in boys. Not one to wait on someone to do something for her, Lauren goes out and does what she knows how to do best, and thatÃ¢â ¬â„¢s hustle. Slowing down her fast ways, she meets bad boy Octavious. He seemed to be the only one that could tame her, but with him heavy in the streets, Octavious is too busy for love. It seems the apple didnÃ¢â ¬â„¢t fall far from the tree being that he and Meshach were cousins.Find out what happens when you mix love, secrets, and lies with the streets. Join this crew, and a few other unforgettable people, on this rollercoaster ride."

Customer Reviews

I usually don’t write reviews but as I was reading, I said this sounds like Duvall.. Nevertheless I loved it. Keep up the good work.

Omg dont send her to jail she dont what happened

Great book that book had a lot of drama I really enjoyed reading about Camilla she is so cool and loving and I also love her sister Lauren I am ready to read #2

I can see some plot twist read it all in a day and cant wait for the next part. Good read

This book was full of surprises. I loved the girls, I really hope we get more of Lauren and Oct’s relationship in the next book. I want to see how things go for them especially now that Lauren knows about korah. How is korah holding up after the lost of her parents? Will she ever build a bond with the girls? I like diesel but I feel more chemistry with mishach and Camila. Who will she choose in the end? How will all the drama surrounding mishach affect her decision? How will diesel handle it if

he’s not chosen? Can’t wait to see how everything plays out. Good read

Okay first off I don’t and never did like Diesel. Something about his character just seems off. From his introduction he just seemed a little weird. Soraya can not be trusted. I wouldn’t trust her for ish. I got a feeling Camilla and Lauren are going to get in her butt though. Korah is about to start wrecking havoc in all of their lives because I know she knows who did that to her parents. I don’t know how Oct didn’t know that Lauren lived there also, I didn’t understand that. I thought he was talking about Lauren and not Korah.

Lord Meshach finally made his move,I’m mad it happened at the the end of book, lol. I think him and Camilla would make a nice couple. I think Diesel prolly gonna get hooked on drugs that he supposed to be selling. Go head Lauren she went after Oct and got him. Wonder what the police will say to the twins I hope Camilla can lie after she just found out the truth. That Soraya is a mess she in the way I don’t like her. Can’t wait for part 2!

This storyline is yeahhhh,, this fast pace well-written drama filled page try turning gripping book has got me and my feelings low and I need more I love the characters are very well defined and I can recognize them any place I love the twins as hard as they headed they made it through and then they got me net love them just how many we don’t know this without freaking stand it I can’t wait for point to give me give me some more
