Customer Reviews

Stuffed pastas are great and can be served with all kinds of sauces or toppings. They are great to have on hand for a quick easy dinner.

For homemade pasta, you need more direction than, "roll it thick...boil it....enjoy!" Not sure how this got published and not worth the \$1 kindle price. There is no difference than using this book and singing it yourself.

A lot of great pasta recipes to choose from. If you love stuffed pasta I'm sure you will enjoy this cookbook. Thank you and enjoy your meal and enjoy your day.

We love Pasta, and this is the perfect cookbook for a mouth-watering variety of recipes. Julie Hatfield offers a huge selection of different Stuffed Pasta Recipes that are easy to make, and many are common ingredients. Preparation time is great, and we enjoy the different choices. Some of the recipes include: Herbed Sausage Ravioli, Chicken Tortellini, Shrimp Ravioli, and many more. We made the Crab Ravioli, and it was delicious, and satisfying. My daughter wants to try the Herbed Sausage, and we plan to make the Shrimp Ravioli soon. We are very happy we found this cookbook, and at such a low price for what it offers. Another great cookbook by this author added to our collection. Highly recommended!

Some of these fillings sound really good and are ingredients that are easy to come by. A lot of the pasta recipes are repetitive, but it's nice not to have to hunt one down when you need it.

If you like making pasta, this is the cookbook for you.

Simple and tasty recipes. Easy to comprehend.

this is a great book. has helped me so much in my pasta making
