Travel The River PERU: How To Tour The Upper Rainforest Easily & Economically

Synopsis

Traveling the River from its origins in Peru to the river's mouth on the beautiful beaches of the Brazilian Atlantic coast is one of the most coveted trip for many people. Couple of years ago I wrote the book " the River For The First Time... and Forever" describing how to travel the River from beginning to end. However, most people do not have the time or the resources to travel the whole length of the river, therefore this book will show you how to travel the River from Peru to Colombia. The book is full of beautiful pictures and plentiful of resources to help you save thousands of dollars while traveling the river. This ecological guide is more than a travel tool and you should not "head to the river" before reading this book.

Book Information

File Size: 6647 KB

Print Length: 105 pages

Simultaneous Device Usage: Unlimited

Publisher: RiverExpert.com; 2 edition (December 5, 2013)

Publication Date: December 5, 2013

Sold by: Amazon Digital Services LLC

Language: English

ASIN: B005G66YO4

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Enabled

Lending: Not Enabled

Enhanced Typesetting: Enabled

Best Sellers Rank: #408,929 Paid in Kindle Store (See Top 100 Paid in Kindle Store) #15

Customer Reviews

This book is light on useful information and heavy on the Eco babble. It was not very useful to me in preparing for my trip to the Peruvian .
