What Was The First Thanksgiving?

Synopsis

The history of the feast! After their first harvest in 1621, the Pilgrims at Plymouth shared a three-day feast with their Native American neighbors. Of course, the Pilgrims and the Wampanoag didn't know it at the time, but they were making history, celebrating what would become a national holiday.

Grade Level: 3 - 7

Customer Reviews

Joan Holub is the author of What Was the Gold Rush?

This is a great series for struggling readers. I teach SDC junior high and put this on my desk. Kids want to read it. It has lots of pictures and is appropriate for junior high students. It is in large print and is interesting for me as well. The Who Was biographies and the other What Was? books in the series (like Pearl Harbor) are also high interest for my junior high students.

This is an ideal book for young children (age 7 to 10) learning about the Pilgrims coming to the New World of in search of religious freedom. It also contains lots of information about the Wampanoag

who befriended the Pilgrims and about Thanksgiving history and traditions. Highly recommended.

I don't know why I didn't realize this was a chapter book! I ordered it to read to my class, but realized after ordering it, that it would be a bit over their heads. It was a good read for me to brush up on some history though.

My son really enjoyed this book and had fun learning more about the first Thanksgiving. He is 6 and we read it together. I enjoyed learning more about it with him too. This was a good informative book.

It was a great historical book written for the upper Elementary to be able to understand and read on their own.

This is a super helpful book because I could plan my Thanksgiving unit around reading this together! It's hard to find good resources for social studies.

I bought this for my 6th grader who was doing a book report. She enjoyed it and found it very informative

My 8 year old loves these books!
