The Match: The Day The Game Of Golf Changed Forever

Synopsis

In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era—Byron Nelson and Ben Hogan—against top amateurs Harvie Ward and Ken Venturi. The year: 1956. Four decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with his own power team: Ben Hogan and Byron Nelson, the game's greatest living professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day—legendarily known in golf circles as the greatest private match ever played—comes to life with powerful, emotional impact and edge-of-your-seat suspense.

Customer Reviews

In 1956, millionaires Eddie Lowery and George Coleman made an off-the-cuff bet on a golf match and inadvertently set up one of the sport's most climactic duels; this one casual game has become the sport's great suburban legend. Frost (*The Greatest Game Ever Played*) diligently covers the two pros slightly past their prime, Ben Hogan and Byron Nelson, who squared off against two top amateurs, Harvie Ward and Ken Venturi. It happened in the last hours of Hogan's playing career, and ten years after Byron had left the stage, but at the near pinnacle of the amateurs', whose personalities couldn't have been more diametrically opposed (Venturi the classic up-and-comer, and Ward the inveterate playboy who performed hungover on two hours' sleep). The match itself, scrupulously teased out by Frost for maximum drama, is less interesting than the people involved and the historical backdrop. The match happened near the sport's great cusp, as it transitioned from something for amateurs to a professional career, from a pastime for wastrel aristocrats and entertainers (and Bing Crosby, with his annual booze-soaked Clambake charity matches) to a mainstream suburban obsession. Frost has a penchant toward the florid, but as he writes, Because he was Ben Hogan, and it was just past twilight, and his like would never pass this way again, he captures an elusive magic in this improbable matchup and what it meant for those who played and witnessed it. "Frost weaves an exceptional narrative . . . It's a gripping tale--as good as James Patterson, John Grisham, or any other contemporary novelist could create. And all true. The match comes down to the 18th hole, and you'll be the winner once you turn the last page." *Met Golfer*" Frost masterfully puts the reader not just on the scene, but in the time, too, with terrific storytelling." *The State* (South Carolina)
